Analytical Computer Science & Engineering graduate from East West University with corporate experience in data operations, quality assurance, market intelligence, and executive reporting. Currently serving as an Analyst, Data Solutions at SEBPO, supporting international media and advertising clients through rigorous multi-source verification, due diligence, and structured documentation. Proven leadership track record managing a 3,000+ student community, optimizing event budgets by 15%, and co-authoring peer-reviewed research in IEEE Xplore.

## WORK EXPERIENCES

**Analyst, Data Solutions** — **Mar 2026 – Present**
**SEBPO Global Business Process Outsourcing** — **Dhaka, Bangladesh**

**Achievements:**
- Maintained high-accuracy SLA compliance across daily English-language data validation and quality assurance deliverables for international media and advertising accounts.
- Streamlined multi-source demographic cross-matching workflows to identify and resolve record discrepancies prior to client delivery.

**Responsibilities:**
- Analyze, cross-reference, and audit large-scale English-language datasets, news records, and business profiles across multiple primary sources.
- Execute detailed due diligence and entity verification checks to ensure data integrity and regulatory compliance for global corporate clients.
- Prepare concise factual summaries and structured operational reports to support client-facing decision-making and pipeline reliability.
- Collaborate on AI data evaluation and annotation quality workflows, enforcing strict documentation standards across team deliverables.

**AI & Research Intern** — **Nov 2025 – Feb 2026**
**Musemind Global UX & Experience Design Agency** — **Dhaka, Bangladesh**

**Achievements:**
- Delivered actionable competitor and market intelligence briefs directly to senior leadership, including the Founder & COO, shaping product strategy.
- Accelerated pre-design discovery phases by introducing AI-assisted research synthesis and structured benchmarking templates.

**Responsibilities:**
- Conducted market research, industry benchmarking, and user behavior analysis to support digital product design for international clients.
- Cross-matched and quality-checked unstructured data from multiple online sources before converting findings into client-ready presentations.
- Partnered with UI/UX designers and engineers to evaluate AI-powered product features from initial concept to implementation.

## KEY ANALYTICAL PROJECTS & PUBLICATIONS

- **Healthcare Claims & Risk Analytics Engine (Python, SQL, Power BI):** Built an end-to-end insurance claims analytics pipeline utilizing SQL and Python ETL workflows to identify cost drivers and visualize risk segments on an interactive Power BI dashboard.
- **Pharmaceutical Market Intelligence & Classification (Published in IEEE QPAIN 2025):** Analyzed 10,000+ drug records using XGBoost and SHAP explainable AI (99.52% accuracy); co-authored peer-reviewed paper indexed in IEEE Xplore.

## EDUCATIONAL QUALIFICATIONS

**B.Sc. in Computer Science & Engineering – Dec 2025** | East West University, Dhaka | CGPA: 3.20/4.00 (Capstone Thesis: A+ | 50% Merit Scholarship)

**Higher Secondary Certificate (HSC), Science – 2020** | Dhaka City College, Dhaka | GPA: 5.00/5.00

**Secondary School Certificate (SSC), Science – 2018** | Science Group | GPA: 5.00/5.00 (Government Board Scholarship Recipient)

## CORE COMPETENCIES

Data Quality & Due Diligence • Market & Product Research • Executive Reporting & Summary • Demographic Cross-Matching • KPI & SLA Operations • Stakeholder & Vendor Liaison • Analytical Problem Solving • Budget & Cost Optimization • Cross-Functional Teamwork

## TECHNICAL SKILLS

Microsoft Excel (Advanced PivotTables & Data Analysis) • Power BI • SQL • Python (Pandas, Matplotlib) • MS Office Suite • Google Workspace • Prompt Testing & AI Evaluation • Portfolio: rafiuddin.vercel.app

## LEADERSHIP & EXTRACURRICULAR ACTIVITIES

- **Campus Captain, OSTAD (EdTech Platform) – Jan 2024 to May 2024** | Drove 30% engagement growth across a 3,000+ student community and led a 10-volunteer team to execute workshops for 200+ attendees.
- **Senior Associate, East West University Sports Club – 2022 to 2023** | Spearheaded logistics for flagship tournaments (300+ & 500+ participants) with zero budget overruns; managed 10+ vendors and cut operational costs by 15%.
